Explanation of Responses:

1. This option was awarded pursuant to the "elective option" provisions of the Issuer's non-employee director compensation program for the Reporting Person's service on the Issuer's Board and certain of its committees. This option shall vest and become exercisable as to 25% of the shares subject to the option upon the Reporting Person completing each three months of continuous service as a Non-Employee Director, or in the applicable committee position, following the date of grant, provided that the fourth and final tranche of the option will vest and become exercisable on the earlier of July 1, 2024 or the day immediately prior to the date of the Issuer's next annual meeting of stockholders occurring after the date of grant, in either case subject to the Reporting Person continuing in service on the Board as a Non-Employee Director, or in the applicable committee position, through such vesting date.
